TANZANIA PORTS AUTHORITY
BANDARI COLLEGE - DAR ES SALAAM**

SHORT COURSES

FROM JULY 2026 TO JUNE 2027

SHORT COURSES

FROM JULY 2026 TO JUNE 2027

ABOUT **US**

Bandari College Dar es Salaam (BCD) is a technical institution registered by NACTVET(then NACTE) in 2004 with registration number REG/EOS/018. Since 2017, the programmes offered by the BCD are accredited by NACTVET. The College is owned by Tanzania Ports Authority (TPA). Its history can be traced to the defunct East Africa Harbours Corporation which had a subsidiary company called East Africa Cargo Handling Services Ltd which was charged with conducting port training activities among others.

After the breakup of the East African Community in 1977, Tanzania Harbours Authority Act, 1977 was enacted and passed by the Parliament of the United Republic of Tanzania which established the Tanzania Harbours Authority (THA) mandated among other to control and manage seaports in mainland Tanzania. THA Act was repealed and replaced by the Ports Act, Cap.166 as amended, which is the governing law to-date. The functions of the College as a training institution was general preserved. Whereby under section 12(k) of the Act, the College is mandated to provide technical and operations training, research and consultancy in the field of marine, port and port related services and facilities.

As part of its mandate, BCD conducts short courses for the sustainability of the ports and maritime sub-sector in Tanzania and beyond focusing on staff development for performance improvement. BCD offers competence based short course programmes carefully crafted with a blend of theory and more emphasis on practical exercise. The goal is to ensure that individuals in work regularly improve and hone their skills and competencies.

Short Course Programmes (SCPs) are available throughout the year and have been specifically designed to meet market demands. BCD delivery of short course training is flexible and such courses maybe conducted at BCD or clients' premises.

VISION

To be the Centre of excellence in training, research and consultancy in port management and maritime logistics in Sub-Saharan Africa.

MISSION

To offer competence-based training, undertake applied research, and provide consultancy services in port management and maritime logistics to respond to current and future needs of the maritime transport subsector.

CORE VALUE

The building of a consistent and binding culture is a fundamental prerequisite for the sustainable development of the College and its core values are: Integrity, Dynamism, Customer Care, Teamwork and Excellence.

**TANZANIA PORTS AUTHORITY
BANDARI COLLEGE - DAR ES SALAAM**
